

## Take a Joyful Ride this Holiday Season!

Make your very own BC Transit mini holiday bus ornament for your tree this season! Print out this page and follow the steps below to build. Supplies needed: Glue stick or clear tape, scissors, thin cardboard or cardstock paper, string.

### Directions

**Step 1:** Print out this page and use a glue stick to attach it to a thin piece of cardboard like a cereal box. Leave to dry for 5 minutes.

**Step 2:** Carefully cut out the bus along the outline using scissors. Ask an adult for help if you need it!

**Step 3:** Fold along the dotted lines, then glue the tabs into place.

**Step 4:** Poke two holes on the top of the bus on the dots shown. Thread string through and tie a knot to turn your bus into a holiday decoration!
